On a side note, I'm looking at gathering ideas on how we can improve the club atmosphere and also increased levels of members playing in competitions. If you feel like you have an idea that we haven't thought of, please either put it in writing or speak to me, Rob Waller or any committee member and these will be passed on.

The Seniors did fantastically well to reach the quarter final the Cyril Blake Plate narrowly losing 3-2 against Highwoods which was played at the neutral venue of Hill Barn. A Big thank you to Steve Harriman for running and supporting the seniors. We really do appreciate it.

Thank you to everyone that has played in any competitions and to the players representing the club.

Just a reminder I have put up a sign-up sheet for the captains away day at Pyrford Lakes on the 23rd of August in the blue competition book. Everyone is invited and it will be great to have as many of you as possible there. Posters are up with the full details of the day and what to expect. If you have any questions, please let me know. The cut off date for entries is July 31st

I hope everyone has a great summer of golf and I look forward to announcing the next winners of upcoming competitions.

Lady Representative Report:

We now have 60 ladies playing in our Open on 13th August and are praying for good weather as it seems that every Tuesday it either pours with rain or blows a gale.

The Club Championship this year was won by Helen Coombs Gross 162 and Tracie Waller Nett 141

We had a lovely Captains Day Margaret & Diana served us pimmis and snacks on the 11th and I was happy to win the competition.

Tracie and Rona are playing their 5th round of the Daily Mail this Sunday at home against Haywards Heath so I wish them the best of luck.

As you probably know The Juggs won the Ted & Jean for the second time last Saturday and I would just like to say a particular thank you to Martha & Edwina for making up our team and to Andrea and Sue who came in with 40 points each.

Mary from Cycling without age came up to the club on Tuesday with one of their bikes as she wanted to take some photographs of us presenting the cheque for £610 which we donated for last year. She was very pleased as she said it covered their insurance for the year. I think it is important that we support these local charities as they don't get much funding from elsewhere.

Treasures report:

Andy reported all was in good order, but funds are depleted as we wait for the fees for the council to be paid to us for this year.

Secretary Update:

A handicap and rules advisor from SCGU will be coming to the club in the next month to meet with the handicap committee.

The county tee rating team will be coming to the club in September to rate the yellow tees for ladies and red tees for men.

AOB:

Tom said he will be putting a sheet up for people to sign up for a mixed match on August 15th, it will be similar to the Clark Cup

Tom said that he is planning a St Georges day dinner for April 23rd next year, more details will follow but there will be a dinner and live singing performing.

Meeting closed at 7.15pm
