Medal - 6th and 7th

January:

Medal - 3rd and 4th

February:

Medal - 7th and 8th

March:

Medal - 7th and 8th (last qualifying event for the OOM)

Order of Merit Champion crowned at the AGM/Presentation night

Please don't think that this is set up for the better golfers to dominate, this is not the case, with the point system in place and the number of qualifying events this gives every golfer in the OOM a good chance of progressing to the top 5 spots, for an example if a 10 handicapper has a solid season and plays x12 medals and the x4 club comps, averages between a 74 and 79 gross they will be picking up on average 100 points per event, that's 1600 points, then a couple of good finishes in the majors and you will be contending for that OOM winning spot. What we are trying to achieve here is a solid platform for our scratch team and having x5 players at any given time that are guaranteed there spots due to merit and form. This, with the Manger/Captains x3 picks will always give us the best team we have at any given time.

Please do enter this OOM, its free to entre and backed by the club and Fraser, we all want to create a fun but competitive environment for our lower handicaps and we want YOU to challenge yourself and see how far and good you can be.

The ultimate goal for the 2025/26 season is to create a solid and competitive platform for golfers to progress and battle it out for that top 5 spots to represent your club at the highest level in the Scratch Team, there will be 5 spots available and earned via merit and form then x3 managers/captains picks. We believe this is also a great platform for progression for the 15 plus handicappers to improve and have a reward to enter the OOM for the following season. This is a fun but serious concept for the lower handicappers and we believe this will also attract new golfers to the club for 2026.

The OOM will start on the April monthly medal, so please let Paul Jones know on the below details if you want to be entered into this fantastic event for 2025/26

Please email paul@golfvillarentals.com if you want to be entered into this stating your name and handicap and he will add you to the OOM ready for the first qualifying event in April 2025.

Good luck and i hope we can have your support on this new concept.
